- 8.

WRITING Write a short news story for the 10 O'clock News. Imagine you are a newsreader and present your news to the rest of the class.

LISTENING TRACK 3 - I'm on Top!

There's something in the air,
The skies are clear, the stars are
The world has changed, it's upside,
In the wind I hear a different,
The leaves are falling and it's only,
The phone is calling, but it doesn't,
Everything's strange and I'm wondering what's going on around here?
This morning I was very
I couldn't walk, I could only,
The world seemed very hard to,
And life was still a
It's brighter now, it's somehow
Nothing ventured, nothing
I took the risk and now I tell the tale of how this came to be.

Chorus

I'm on top, I'm on top. I'm on top of the world and I'm number one,
Write a letter to my mother and tell her that I'm on top,
I'm on top. I'm on top of the world and I'll never stop,
Send an SMS to all my friends and tell them that I'm on top.

So if you're ever,
What to be, how to,
Be good, keep calm and never,
There's never any easy way to the
Study hard, take your,
Play your cards, whatever it
To help you on your way along the road to find your dreams.

Chorus

LISTENING TRACK 5 - No News is Good News

Nine O'clock, ten O'clock, twelve O'clock
Never stop, gossip shop, political
Bombs and shots and harrowing
People die, others lie and families
Cars are too fast and paperwork's
Prices are high and wages are
Democracy's dying and it's still brand
We're trying and trying but there's nothing we can
The more we hear, the less we
So No News Is Good News to
Finders keepers, losers weepers,
Laughter, tears and misery.
War's, people are
Running from their homes, literally.
Something's booming, someone's losing,
A wave just hit the estuary.
An earthquake's
Disaster's with a D, as big as my TV
So as far as I can see
If there's No News it's Good News to me.
Here it comes. Newsflash, latest, breaking news blast.
Man United scored, but they've got no
They're bringing out a law to recycle
Someone won the lottery and someone else
Twins were born to a man called
The more I hear, the less I
The more they speak, confusion
Information comes and
Presentation, a change of
Public service so that we all
The world is turning and it never
Keep up, keep track, or lose your
Hold tight and listen to what they
'Though news is cheap it's never free,
So No News Is Good News to
No News Is Good News to
No News Is Good News to
No News Is Good News to me.
